ORDER

This matter is before the Court on plaintiff's motions for legal clarification and for correction of a legal discrepancy. The filing of a notice of appeal confers jurisdiction on the court of appeals and simultaneously divests the district court of jurisdiction over aspects of the case relevant to the appeal. *Griggs v. Provident Consumer Disc. Co.*, 459 U.S. 56, 58 (2012). On February 11, 2021, plaintiff filed a notice of appeal as to this Court's November 24, 2020 granting defendant's motion to dismiss. Therefore, this Court does not have jurisdiction to consider plaintiff's motions for legal clarification and for correction of a legal discrepancy. Therefore, plaintiff's motions [DE 42, 46] are DENIED.

SO ORDERED, this 19 day of April, 2021.

TERRENCE W. BOYLE
UNITED STATES DISTRICT JUDGE
